

# 2010 RETIREMENT PLANNING SEMINAR

This seminar **SPECIFICALLY** addresses **City** retirement benefits for **employees within 2 years of retirement**. This seminar is only for **non-sworn personnel**, and not for MPS employees.

All too frequently, employees do not begin to learn about the various aspects of retirement until it's too late...after they have already retired. This retirement information program will serve as a planning vehicle for employees nearing retirement.

This 4-hour seminar will include an overview of benefits and services available to retired employees. Topics covered are:

- ☐ Pension, including a Question and Answer session
- ☐ Life insurance benefits
- ☐ Health and Dental insurance benefits
- ☐ Social Security benefits
- ☐ Deferred compensation

**The presenters of these topics will include representatives from:**

- ☐ Employee Benefits Division, Department of Employee Relations
- ☐ Employees' Retirement System
  - o **REMEMBER!** Employees planning on retirement should ask for a pension benefit estimate at least **six months prior** to retirement. Employees planning on retirement must make an appointment with a pension counselor 30-90 days prior to the last day on the payroll.
- ☐ Social Security Benefits consultant
- ☐ *Nationwide Retirement Solutions* representative
  - o The Deferred Compensation program is an independent financial operation with no direct connection with the City's pension benefits. Any questions concerning this benefit should be directed to the Deferred Compensation Plan Administrator.
